Do you know that there is a wonderful thermal spa in Milan?

QC Termilano is the wellness oasis of Milan: a spa center in the heart of the city developed between the Palazzina Liberty and the Spanish Garden surrounded by the walls of the 16th century built by Ferrante Gonzaga.

A professional team will help you to choose the best activities with the only aim to find the balance among body, dreams and emotions.

The thermal spa of Milan offers massages, wellness treatments among pools, hammam, Turkish bath and much more. Don't miss the Tram del Benessere Misura, the only biosauna in the world built inside an historical trolley car of ATM of Milan!

The Hotel Florence has a special pricing agreement with QC Termemilano to give you the possibility to organize your stay of wellness and relax. During the day you can relax at the thermal center of Milan choosing among a wide range of beauty treatments and spa.

If you stay at the Hotel Florence, you can get a 10% discount on the daily pass and on all the treatments at QC Termemilano. Ask for your voucher at the reception of the hotel!

QC Termemilano is in Piazzale Medaglie d'Oro, 2 on the corner with Via Filippetti. It can be easily reached by subway (red line—from Loreto to Duomo, then yellow line from Duomo to Porta Romana) which is at only 200 mt far from the hotel.
